

Looking to improve food safety in your process?

The number of food recalls per year has nearly doubled since 2004, costing half the affected companies more than 10 million dollars per recall:

REASON FOR RECALL

GROWTH IN RECALLS

SPHERE Material Handling is excited to introduce our new band style bulk cover:

- More cost effective than corrugated alternatives
- Can be implemented between unit loads to reduce foreign object migration and food borne illness
- Easy band style allows the cover to be pulled over both bulk bin and RPC unit loads
- 250 covers per case, 48 cases per pallet
